ETOWAH VALLEY *Equipment*

Designer, Manufacturer & Distributor of Professional Car Wash Equipment

QuickPay LITE

An Economical Solution for Marketing and Credit Card Acceptance

The QuickPay Lite is based on our premium QP PRO bay control system. Both of these systems have advanced circuitry & software to provide state of the art self serve bay control.

The QP Lite system has been made more economical by removing primarily the voice feature of the PRO system while retaining the Credit Card Acceptance feature..... just add our waterproof card swipe and go!!
